# A MESSAGE FROM JEANNINE & IAN

Images of Light began in 2007 with the vision of helping people come to know how they are made in the image of God to reflect His Light and Love to the world. Our hearts' desire is for everyone we serve to come to know God's character, nature and ways, who they are in Him, how to hear His voice and understand His supernatural ways. And in all we teach, we encourage God's children to carry His message outside the four walls of the church into everyday life.

In the days we are living, we believe what we do is growing increasingly more important as we prepare for the great harvest of people coming to know the Father by following Jesus and being filled with His Spirit. We are humbled and honored to serve the body of Christ. Thank you so very much for your generous support of our ministry!

# ENCOUNTER WEEKENDS & CONFERENCES

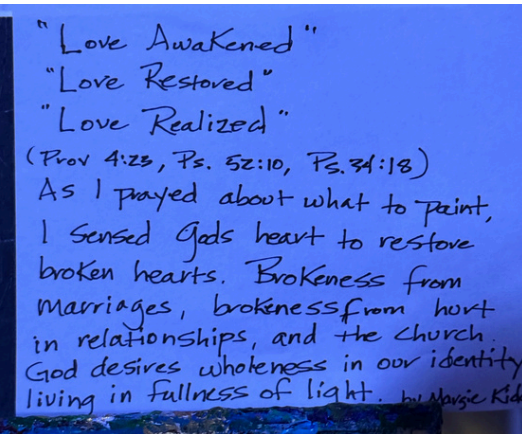

## ENCOUNTER JESUS WOMEN'S RETREAT JESUS OUR BRIDEGROOM KING

Jeannine had the blessing of leading the women of St. Andrew's at their weekend retreat, Encounter Jesus. Inspired by the invitations from The River of God's Presence, a group of amazing women created spaces (photo above right) where the women could encounter God in unique and tactile ways. The majority of time was spent with the women encountering Jesus personally.

Jeannine significantly encouraged me by exposing the lie that I should strive to find the Lord's presence by doing more or trying harder, but rather revealed truth that really I just need to become more aware of His Presence already at work in me.

The artist's description of her prophetic painting is the perfect way to at least attempt to share what God did at the Jesus Our Bridegroom King women's conference. Jeannine was honored to be one of the speakers and to see so many women brought into greater wholeness and deeper intimacy with Jesus.

TOUCHING THE HEART OF GOD:  
EMBRACING WORSHIP THROUGH THE ARTS

Having never led a Touching the Heart of God: Embracing Worship through the arts encounter weekend over Zoom, Jeannine wasn't sure how it was going to work. But given that this is the only way to lead people in the underground church in Iran through it, we went for it! And God showed up in incredible ways!

Students who were brand new to thinking about God giving them prophetic unction and creative ideas for their artistic expressions heard God and created some beautiful songs, paintings, poems, sculpture, recipes, and more. One youth received a rap from God that was stellar...and she was so excited to share it!

The woman in the photo above left had never painted before and was blown away by how God helped her choose every element of the painting of the priests' garments. Through the encounter weekend, God gave her the boldness to not only paint her second painting shown to the left, but to post it on Instagram. A man from India direct messaged her about it because he was so impacted by it, and she led him to Jesus!!

# MENTORING

12 Regular Mentees

5 Pro Bono Regular Mentees

Other Mentees on an ad-hoc basis

“The mentoring I have received from Jeannine has ignited my journey with Jesus in such extraordinary ways. Her God-given gifts are a treasure trove that are so vast and powerFULL, that somehow as we moved in and out of our mentoring sessions, she would at one moment teach and train, the next equip, then begin to bless, impart, pray with, discern, and prophesy...as she felt led by the Holy Spirit.

- Sarah DT

Originally offered to mentor people one-to-one in dream interpretation, in addition, it has now expanded to helping people learn how to hear God’s voice, how to discern the different ways the Spirit is moving in their lives, and teaching about the ways, nature, and character of God. Sessions are priced to make them accessible to as many people as possible.

This aspect of the ministry is a highlight and delight to Jeannine as she sees mentees growing in incredible ways as they hear the voice of God more consistently and clearly.

Jeannine's teachings are so critical and unique. From the Bible, she teaches topics that few people address. That includes: how to hear God, how to walk with the Holy Spirit, and how to function in the gifts of the Spirit. The fastest-growing underground church in Iran needs to be taught to grow in both the Truth and Spirit... Jeannine provides both.

Filming of the 3rd Season of The River of God's Presence at Iran Alive Ministries - Dallas, TX

## MISSIONS IN PARTNERSHIP WITH IRAN ALIVE MINISTRIES

We filmed two of the seasons of The River of God's Presence. The first two seasons of the show aired multiple times throughout the year reaching over 6 million Farsi-speaking seekers every time an episode is aired. The goal of each episode is not just to teach about the presence of God, but to lead viewers into an encounter with the living God. Thus, every episode ends with a time for meditation and prayer.

Celebrating with the film crew!

Gorgeous set for some interviews we did to promote Jeannine's books which have been translated into Farsi!

The River of God's Presence made me pay more attention to getting spiritual help in my decisions.

Maybe the dream I see or the event that happened is a message or inspiration from God. Believing that forces beyond my abilities are at work makes me better cope with unexpected events in my life.

In order to better understand these messages and signs, I was encouraged to pray, meditate, and examine dreams. It taught me to believe in transcendental experiences, to see my life from a more spiritual perspective.

We are beginning to understand that what is happening with you is a building up of a base of leaders and prophetic people who hear God's voice and live to give away that kind of ministry.

Exploring the World of Dreams & Visions - Iran Alive's Church (Adults)

## MISSIONS IN PARTNERSHIP WITH

We are beyond grateful that this year we got to get up close and personal with Iran Alive's church! In addition to the encounter weekend on worship and the arts, Jeannine got to teach (in separate workshops) the adults and youth about dreams and visions. While those on the call living in Iran have to keep their video off for safety reasons, to hear their comments and questions and hear how God is stirring wonder and awe is truly incredible! We praise God for what He is doing!

What one person heard from God during the worship & the arts encounter weekend:

I want you to shine in every realm for Me and through the arts I have given you as you serve others..  
I will remain with you for you to shine everyday more and more!  
So you will know my glory in a better way and also glorify my name to others.

# Community Outreach

- Team of enthusiastic Spirit-filled believers from two churches
- Multiple blessings released over the Front Range of CO and festival-goers

We continue to marvel at God's creative ideas for outreach. For this festival, God led us to organize a team of people to release blessings from The River of God's Presence over the Front Range of Colorado and to speak words of encouragement and blessing over the festival-goers.

It was a beautiful time ministering the love of Jesus!
